Students wanting to retain their position on the waiting list must complete the "Waiting list confirmation" procedure before the deadline as outlined in the notification letter. Failing to do so, waiting list eligibility will be forfeited. Students on the waiting list who are admitted to the university will receive an additional notification letter and need to complete registration procedures before the closing date for registration, which is the first day of class of the current academic year as specified by the annual school calendar. Students who fail to register by the closing date will be forfeited of their admission to the university.
